

Energy Efficiency Education School Program

AEP Ohio is
sponsoring a
free education
program for
teachers,
students and
families in
the AEP Ohio
service territory.

Meets Ohio Standards

- All curriculum is correlated to meet the Ohio Academic Content Standards.
- Multiple academic standards met for grades 5-12.
- You'll receive a list of applicable standards with your training.

It's Easy

- It's simple and easy to incorporate the curriculum and activities into your lesson plans.
- You'll receive the complete curriculum and a teacher kit with necessary supplies and equipment, as well as many classroom-ready activities.
- More than \$2,500 worth of curriculum materials, classroom supplies and student kits.

Professional Development

- Customized Professional Development training (required) at the teacher's convenience
- One semester hour graduate credit from Ashland University (at a reduced rate) – Optional (Not available for mini-training)
- Contact Hours documentation
- Networking with other educators and energy professionals
- \$100 stipend after submitting required program evaluation and collected data

How to Apply

5-12 grade teachers at a school in **AEP Ohio and/or Columbia Gas service territories** can apply online at ohioenergy.org or mail a completed application form to the Ohio Energy Project (OEP).

Questions?

Student Benefits

Build Student Leaders

- Learn skills in the classroom to become empowered energy leaders.
- Apply skills to teach friends and family about energy efficiency and have a chance to teach the community at program events.

Save Money & Energy

- Learn energy-efficient strategies and how to use energy-saving devices.
- Understand how to save money and energy at home through energy-efficient choices.

Get the Tools

- Home Energy-Efficiency Kits:
 - CFLs
 - LED Nightlight
 - Fridge/Freezer and Hot Water Temperature Gauges Weather
 - Stripping
 - Low-flow Showerhead

AEP Ohio has partnered with the Ohio Energy Project to provide this free energy efficiency education program for teachers, students and families served by AEP Ohio.

FAQs

General Questions

Q: What is the cost for the program?

A: There is no cost. All professional development, classroom materials and student kits are FREE!

Q: How do I submit my \$50 deposit if I apply online? (Not applicable at this time)

A: Once you submit your application online and have been accepted to participate, an invoice will be emailed to you for the \$50 deposit which can then be mailed directly to OEP.

Q: How will I know I have been accepted into the professional development workshop?

A: You will be emailed a confirmation within two weeks of OEP receiving your application.

Q: If I have additional questions, who do I contact?

A: Contact Ann Timm at atimm@ohioenergy.org or call 614.785.1717.

Teachers Who Previously Participated

Q: Am I eligible to participate again?

A: You may participate in the program, but only if all required data and feedback for the previous year were submitted on time.

Q: Do I have to attend the full training again?

A: OEP staff will coordinate a custom training based on your schedule. Contact Ann Boston Timm at atimm@ohioenergy.org to set up a training date and time.

Q: Can I get the one hour graduate credit again?

A: Yes, but you must attend one of the all-day training workshops. (Not available for mini-training)

Application Form

Mail your completed application to:

Ohio Energy Project - 200 E. Wilson Bridge Road, Ste. 320 - Worthington, OH 43085

Online Registration is available at ohioenergy.org
