Design Guidelines:

- Maximum of 4 colors on a white background.
- Designs will be for the front of the shirt with a maximum size of 8"x8".
- Hand designed or computer generated artwork will be accepted.
- No 3rd party logos or copyrighted material may be included.
- The Ohio Energy Project reserves the right to make changes to the winning design before printing, including changes in image size or ink color.
- When thinking about your design, include the concepts of energy efficiency and/or energy conservation:
 - ⇒ Energy Efficiency-the use of technology that requires less energy to perform the same function. Using a CFL to produce the same amount of light as an incandescent light bulb is an example of energy efficiency.
 - ⇒ Energy Conservation-any behavior that results in the use of less energy. The decision to replace an incandescent light bulb with a CFL is an example of energy conservation.
